Dear Ms Allen

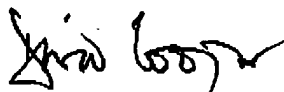

US patent number 7243950 (serial number 10/502329)
1st maintenance fee due 17 January 2011

We refer to the above mentioned patent, for which we have paid the 1st maintenance fee via our deposit account at the small entity rate. However, we are now advised by our client that large entity status applies. We therefore authorise you to charge an additional \$490 to our deposit account number 04-0750, as well as any deficiency in the payment of the required fees.

Please find attached a declaration asserting the loss of small entity status. We kindly ask you to update your records accordingly.

Thank you in advance for your assistance.

Yours faithfully
For DENNEMEYER & CO
(payor number 287)
